

2019 NDAA SECTION 889 CERTIFICATION

For purposes of compliance with Section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Hidden Level requests that all of its vendors and suppliers provide certain representations regarding the use or sale of prohibited covered telecommunications equipment and services as defined below.

\_\_\_\_\_ hereby represents that it does not provide any products or services to Hidden Level, including any equipment, system, or service produced by Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, Kaspersky Lab, or Dahua Technology Company, or any of their respective affiliates and subsidiaries ("Covered Equipment and Services") and that \_\_\_\_\_ does not cause Hidden Level to use any Covered Equipment and Services. In the event \_\_\_\_\_ identifies Covered Equipment and Services in any products or services provided to Hidden Level, \_\_\_\_\_ shall report to Hidden Level within one business day from the date of such identification the following information, if applicable: supplier name; supplier unique entity identifier (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number, etc.); item description; and any other readily available information about the item.

Company Name: \_\_\_\_\_  
Authorized Signature: \_\_\_\_\_  
Print Name: \_\_\_\_\_  
Title: \_\_\_\_\_  
Address: \_\_\_\_\_  
Date: \_\_\_\_\_
